modern farm implements in order that each i n and each team may d n upon the trun part tion facility to not an in supply the law over the facility of the Sinh have il o the contry a ke peoret take the farm from you, will correct averge a lorger time a real colores, and we say an excellent sake of a city at the entire that has I to range a tour rowled by Green and to no contint The best of tor tor sors. First, sock niners to producing it is necessary or the same react ander distribution or laborer tred for it diffed projects and nerthered matricin treduction . In to had a larger acreage: raketing or to our dies at the Vellet to be, soy it and points occupant the proceedable promptperity during the pass year, due to sould by all to us be about ed two reasons, could will the use a bett r ba need a islandry as well and increeed the year Remarker of modern Implements, will again proas high prices, sho it encourage as especially the value of these trops dice targe and profitable crops on so there farms.

Well Balanced Husbandry.

Il! h prices of any one farm prolict in this plan should not tempt armers, merchants, or bankers to ispart in practice or in credit ined husbandry. Food for ourselves and fel for our lve stock; food and clotting for the Army and Navy of the United Siza d of her asocales in the Lurope ; war, with the products of the South going out to the Nation and to the word, and the minimum of imports of food to support the South, make a safe, profitable and pairiotic pro-

The agricultural oil ges of the Southern States, in co-op-ration with the United States Department of Agriculture, have county agents in vast majority of all agricultural countles in every State, Campaigns to sustain the production of food and feed will be conducted in the South during the early months of the year. These agen's are part of the war work of the country. They will be much help to farmers and acquaint t em with the full agricultural needs of the Nation in the e of war.

The strength of a nation is measured by the strongth of its weakest part. Let us keep the South strong for the sake of the Nation in 1's hour of great need by making her self-sustaining and self-reliant, an agricultural asset able 'o honor drafts for food and clothing for the Nation. It is a patriotic service,

Fire of unknown origin completely destroyed the 2-story frame house knewn as the Phillips boarding house on East State Line, at Fulton, Wednedsay right.

"A SAFE PLACE TO TRADE"

Finest Stock Farming **Proposition in This** Section

FOR SALE OR LEASE

My farm in District No. 3, Obion County. Tennessee; about 500 acres in the tract; 125 acres in cultivation; 75 or 80 deadened for three years and can be put in cultivation at small cost. Of the 200 acres only about 30 are hilly, and this mostly sown in grass. Soil extremely fertile. Crops from 12 acres this year brought about \$1,800.00. All under good fence. Plenty of running water, never known to dry up in dryest years. Large barn in course of construction. Nice young orchard. On good main road, thirty minutes from town. Will sell on easy terms or will lease for long term of years to good man in position to handle it.

Town Property for Sale

Four good houses and lots on the hill. Desirable homes. Easy terms. Eight houses and lots in West Hickman Pay well for investment

TAX LEVY DESIRED.

To The Voters of Fulton County: We, the undersigned members of the Fulton County Fiscal Court, for On Thursday afternoon of last urgent reasons as stated below have ordered that the proposition of a Gamma Tau Club and a few other tax levy of twenty cents on each ADMINISTRATOR'S NOTICE. one hundred dollars worth of property be submitted to the voters of Fulton County for railflection,

For several years the annual revenue has not sufficed to cover expense with the result that a debt has accommulated, and for the pres ed to the estate are also requested ent year under the new tax sistem to make settlement before the above which exempts over a million dol- date or the claims will be placed in lars worth of property from county the hands of an attorney for collection taxation, our revenue has been re- -E. C. Rice, Administrator. duced at least 16 2-3 per cent

Moreover, we have many niles of new roads with the additional cost of upkeep, and demands for the more residences. There is not a opening of others.

There are numbers of bridges requiring immediate regain or construction which cannot be neglected, and there has been inestimable damage done to ail roads by the severe win- at least this element of the h. c. l. ter weather.

Yet the people rightly continue to clamor for good highways and Army and is now stationed at Jeffer | izing their cost as well as value and | llats and caps at Leibovitz "Live being aware of the above advers S'ore."

co ditlone. Will readly authorize sald tax h vy.

We respectfully pledge ourselves o '.e suretest conomy in the appl con of the us well as all cong-'y finds and give assurance that such levy will not be made in any year when not necessary.

Therefore we ask the voters' careful and favorable consideration of this matter.

Signed this the 14th day of Feb-

"Swear Off" Having Coughs and Colds

A good resolution to make now is not to have coughs and colds during 1918. This resolution may easily be carried out if the right remedies are kept in your home ready for immediate use

Caps-a-Cold

if taken when the first symptoms appear, will prevent the development of a cold. It will also cure colds at any stage of their development. Price 25 cents.

Our Cough Remedy

will quickly remove the cause of a cough and provide permanent relief. It is free from opiates and is as safe for children as adults. Price 30 cents.

The Family Safeguard

The experience of one woman, given herewith, is typical of thousands of letters that reach the Peruna Company from grateful friends who have found their homes incomplete, and their

family safety in danger without PERUNA.

Colds and Catarrh

The great weight of testimony that has accumulated in the 44 years that PERUNA has been on the market proves it beyond que il n, to be the rehalle family remedy, ever ready to lake, preventing the serious effects of rolds, con his, grip and deran ements of the directive organs. This proof is published from time to time and many families have profited by it.

Remember you can abtain PERSINA in roblet form for your convenience. Carry with you and be fortstred against saiden attacks.
